As per customary practice, any "from the floor business" discussions will not be permitted. Any new business that the Captains deem worthy of consideration prior to the commencement of the new season should be presented to the Secretary in writing no later than May 1, 2026. The Officers and Executive Committee would be grateful if the Chairmen of the respective clubs could engage in discussions with your Captains regarding any suggestions they may have.

It is important to recognize that our celebrations extend beyond merely acknowledging the achievements of our winners. We also honor those who have dedicated themselves to fostering team cohesion, nurturing new teams, and discovering new players. Our congratulations are well-deserved by many.

Sincerely,
Nancy Groff, Secretary
